RTMS IMPLEMENTATION

ATS started implementing RTMS principals since 2014 by:

- Monitoring Driver Fatigue
- Truck & Trailer Maintenance at approved Service Providers
- Extensive driver training
- Monitoring Speeding Events and Traffic Fines (see our success at next slide)

ATS' Health & Safety Officer ensures that these systems are monitored daily.

WHY COMPLY WITH

- Visible “stamp of approval” to clients, other transporters and members of the public
- Low accident rate = Insurance Benefits
- Well trained and healthy drivers
- Vehicle & Trailer Maintenance at Approved Service Providers
